

Elegant Cruiser's August 2006 Newsletter

The month of August recalls that Our first president George Washington had a green thumb. "George Washington's green thumb kept him busy in the beautiful upper garden, planted about 1785.

Washington elected to attend first Conntinental Congress in 1774.

Declaration Of Independence signed 1776.

Washington establishes Dept. Of War and Navy 1789.

Washington creates Purple Heart award 1783

Battle Of Long Island , New York 1776.

We tend to forget in todays world of crisis and problems that are faced across the globe, that our country and it's strength and resliency was born in strife and threats and with formidable goals set to obtain independence and freedom.

Our solemn hope is for divine guidance to world leaders so that they can ease and solve the crisis threatening mankind.

Scoop! Ron and Jeannie with Bob and Jan on a trek up North to Jan's reunion.

Hey! Dave G. has a new camera that he is really excited about. It is a Canon S3 IS and is a true wonder.

Nate & Mary have a new camera also. It is a Canon A 520 and is very highly rated. (Here's for Great Good Pictures)

Our nominating committee headed by Malcolm Mitchell has notified me that our new slate is... Jeanie Mitchell president and our 1st vice president , Irwin Forsee.

continue as alternate FMCA Director.

I heartily congratulate them all for their "stepping up to the plate"
Remember without pitchers and hitters " *The game is called
for rain*"

For the next slate of officers we are in dire need of a secretary
and without one, we are a "non corpus mendi" with F.M.C.A.
*So will some nice person step up and help us stay alive.
There will be help from Harriet and Jeannie who have done this
job twice each or more. Come-on Please help the Club out!
VOLUNTEER! for "crimony sakes".*

PLEASE!

the real tragedy of life is when men are afraid
of the light"***

Our next rally after this long HOT summer will be hosted by Ron

and Jeannie and helped by Dave & Harriet. We are looking forward to a [COOL](#) good time in San Dimas with you all.
"Puddingstone Sept. 11 -14"

Then it will be "kicking The carrots around" at the Verden Ranch.

Vern and Shirley are up to some diabolical scheme that they won't tell us about. I think we probably will have to go up in overalls and wind up picking carrots. Now I know why they call you a "Carrot Picker". They are sure keeping mum about their plans. Maybe they will do as Oprah did and give us each a new car.

According to local gossip Vern is filling the gopher holes and polishing the "FOOD CART" he purchased from the club in a really grand gesture.

We will be [dry camping](#) so come with empty holding tanks and a full load of water. We are really looking forward to this one.

This promises to be a fantastic rally so be SURE to attend.
