**From the President:**

Greetings Fellow Trackers,

I would like to thank Bob Golk and his beautiful wife Debbie (for without her help it could not have been as successful) for two years of excellent leadership. Good luck in your future endeavors with the FMCA Bob. Thank you to both of you.

I would also like to thank all of my fellow trackers for their confidence in electing me as your President for 2012. I will attempt to follow in the footsteps of my predecessors.

We have a great rally schedule set for this year (see below). One of our goals should be to attempt to show other motor home RV'rs the benefits of FMCA membership. This leads to Chapter involvement, hopefully with our Chapter. We all have friends who RV in a motor home. Let's all see how many we can bring to our rallies and introduce them to a great bunch of folks, The Golden State Trackers. Let that be one of our goals this year. Each of us brings in one new member. New members are the lifeblood of our Chapter and the FMCA.

We have a great group of officers and I look forward to another great year for the members of the Golden State Trackers. We have a full rally schedule and I hope for good member participation. In your travels this year, to points known and unknown, look for that FMCA goose egg. Introduce yourself. If they are members they are probably pretty nice folks and you will make a new friend. If they are in range of our Chapter, invite them to a Rally. If they are not members of FMCA, make them aware of the benefits of being a member. The FMCA has a program where we can sponsor their membership and they can join for the first year for free. Let me know and we can arrange it. They may then also want to join our Chapter, which we can also easily arrange.

Several of our members celebrated the New Year at the Hesperia Elks Lodge. All present had a grand time. The Elks are always a fun group. Remember it does not

**President's Message (con't):**

have to be a scheduled rally. One of the joys of being in an FMCA Chapter is meeting good folks, who you like to be around and RV with. Feel like heading out? Phone a friend.

Small turnout this year for Indio, but I know those of us in attendance will have a great time. I will see some of you there and hope to see more of you throughout the year at our rallies.

Remember to recruit.

Safe Travels
